A Message From The Mayor

Hello Dumont Residents,

It is my honor to serve as Mayor of the Borough of Dumont. I will continue to put my best efforts towards bringing our community together to benefit all residents.

Dumont has so much to offer our residents. We have some of the best schools in the State of New Jersey and offer our young residents a great sports program through our recreation department. Various groups throughout the Borough offer social programming, like scouting, that teaches life training for children. We have an involved group of volunteers to beautify the Borough, a very active senior center with many daily and weekly activities, and a social support network to assist those that need it.

Volunteers are the backbone of our community. I would like to thank all the enthusiastic volunteers who spend considerable time serving on the boards, committees, and commissions that make our community a great place to live.

Thank you to those that serve others in need. The houses of worship throughout the Borough and the local charitable organizations provide relief and a true service to others when they need a helping hand.

This year is a very special anniversary for our country. It marks the 250th year of the United States of America. On July 4th, 1776, the 13 colonies declared independence from Great Britain and the United States of America was formed. The United States of America became the greatest experiment in self-governance the world has ever known. A nation where our rights come from our Creator not the government. Where the government derives its just powers from the consent of the governed. I hope everyone celebrates this very significant birthday on July 4th and that our Creator blesses this nation for another 250 years!

This calendar will keep all the important dates and events at your fingertips for the upcoming year. It also lists phone numbers and email contacts for anything you may need from any of the departments in the Borough.

Wishing you a Joyful Holiday Season and a Happy New Year!

GOD Bless you all and GOD Bless America!

John W. Russell III
Mayor of Dumont

	The mission of the Arts, Beautification and Economic Development (ABED) Committee is to create an attractive environment with successful commerce and artistic support for its residents, businesses, employees and visitors and to create a great place to live and work. The ABED Committee has successfully completed a third year hanging over 100 Veterans Banners that are placed throughout the town. In addition, we enhanced the community's appearance by placing seasonal planters and corn stalks around town. As volunteers, we take pride in maintaining the gardens located at Veterans Plaza, West Shore, as well as Grant Avenue. Finally, our Pizza Crawl/Dumont History Tour along with the Dumont Deck the Halls show were huge successes and we are bringing both events back in 2026. LIBRARY

**180 Washington Avenue • Dumont, NJ
(201) 384-2030**

A Short History of the Library

The Dumont Library was created during World War I through the organizational efforts of Miss Katherine McDonald and her Girl's Patriotic League. This group of women accumulated and circulated approximately 150 volumes that were housed in the Bruno Building located on East Madison Avenue. Eventually, the Library moved to the Mossa Building on West Quackenbush Avenue, where League members, Mrs. Russell Krause and

Mrs. G. B. Merrill, supervised the collection. With the Library now being open on a more regular schedule, one afternoon and one evening a week, circulation grew to 25 items per week!

The success of this venture was furthered by Felix Weil, who in 1918, with a group of 14 leading Dumont citizens, founded the Dumont Library Association. Each member contributed the hefty sum of \$10 each to supplement the collection of books donated to the cause by the Girl's Patriotic League. Of the monies collected, \$50 was set aside specifically for children's books. Through the efforts of Lovell J. Honiss, then Principal of Washington School, the steadily growing collection, was housed in a room within the school. Not long after that, the Mayor and Council appropriated \$100.00 to move the collection to the upper floor of the Ferdon Building on East Quackenbush Avenue.

In 1925, a referendum vote of 688 to 191, established the Dumont Public Library. Mrs. H. B. Jenkins was appointed Librarian and the Library was open to the public three days a week. In 1926, the Library Trustees, seeking a more ideal location, rented three rooms in the Banta Homestead, the home of Sarah Dixon, an avid supporter of the Library. At her death in 1929, Sarah willed her home to the Borough for Library purposes and the Library was named The Dixon Homestead Library.

Mrs. Jenkins was succeeded by Miss Rouisa Frantz in 1932 and the Library continued to grow. A public referendum to expand the Library was defeated in 1941. Miss Millett succeeded Miss Frantz in 1953 and continued to press for expansion, emphasizing the need to create more room to accommodate the reading and research needs of the growing Dumont population. After a lengthy, but spirited political battle, money was appropriated in 1958 to construct a much needed children's wing. A large area for parking was added in 1975.

Mrs. Elizabeth M. A. Stewart succeeded Miss Millett as Library Director in 1979, the same year in which a referendum for another addition to the Library was passed by an overwhelming vote of two to one. The Alfred W. Heath Wing was opened to the public in January, 1982 and formally dedicated on March 13, 1982.

When Mrs. Stewart was succeeded by Mrs. Carolyn M. Blowers in 2002, the Library's collection of materials had grown to over 48,000 items and the average circulation was over 1,800 items per week.

DEPARTMENT OF PUBLIC WORKS

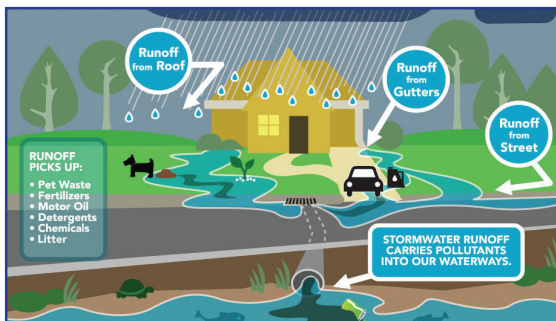

Stormwater runoff is precipitation from rain or snowmelt that flows over the ground. Each time it rains, cigarette butts, litter, pet waste, motor oil, anti-freeze, lawn chemicals and other pollutants reach local waterways through storm drains. Known as non-point source pollution, it is the largest threat to our waterways today. This pollution is discharged, untreated, into the bodies of water that we use for swimming, fishing and for providing drinking water.

Easy Things You Can Do Every Day to Protect Our Water

- Do Not Litter
- Pick up after your pets
- Do not feed wildlife in public areas
- Keep leaves, grass, yard debris and street sweeping out of storm drains
- Eliminate or minimize the use of toxic pesticides, herbicides and chemical fertilizers on your lawn
- Never use the storm drain for disposal of hazardous materials such as motor oil, antifreeze, paints, etc.
- Use a commercial car wash for washing your car

For more information on stormwater pollution

The “Flushable” Wipes Myth

Flushable wipes are often marketed as an alternative to toilet paper and claim to be “flushable” and “sewer safe.” These wipes **DO NOT** break down when flushed in both private household plumbing and the public sewer system. Serious blockages resulting in sewer backups may occur. Disposable wipes, even those labeled ‘flushable’ should be disposed of in the trash, not flushed down the toilet.

What you would like to avoid....

Clogs: Flushable wipes can take longer to break down than toilet paper, which can lead to clogs in your pipes.

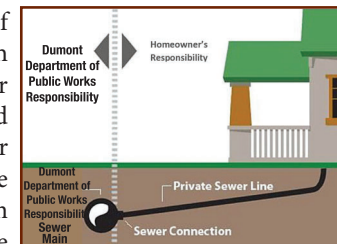

Backups: Clogged pipes can cause sewage to back up into your home.

Public health risk: Clogged pipes can also cause overflows at wastewater treatment facilities, which can create a public health risk.

Expensive repairs: Fixing a clogged pipe can be expensive. Instead of flushing wipes, you should throw them in the trash.

SEWER STOPPAGE RESPONSIBILITIES

The owner/occupants of premises in the Borough shall be responsible for proper maintenance and repair of all house sewer connections between the dwelling and the main sanitary sewer line. In case a stoppage in the sanitary sewer occurs, the owner/occupant shall immediately notify the Dumont DPW who shall inspect the main sewer line.

If the main sewer line is obstructed, it is the responsibility of the DPW to remove the obstruction. If the main sewer line is not obstructed, the DPW shall immediately notify the owner/occupant to proceed with removal of the obstruction in the house sewer line.

In all cases, call the DPW **first 201-387-5045** Monday - Friday: 7:00am - 3:30pm.

After hours, including weekends and holidays, call Dumont Police at 201-387-5000. The Police Department will immediately notify the DPW.
